Wayside Technology Group, Inc. Named One of the Best Places to Work by NJBIZ

Company receives fourth win for being one of the Best Places to Work in New Jersey

Eatontown, N.J., February 22, 2017 – Wayside Technology Group, Inc. (NASDAQ: WSTG) is honored to announce that it has been named one of the 2017 Best Places to Work in New Jersey, by NJBIZ. The awards program recognizes and honors New Jersey’s top employers who show a commitment to their employees’ professional growth and quality of life.

“The Wayside Technology Group management team is dedicated to creating an engaging and welcoming environment for our employees. We believe it’s essential for our employees to have a healthy work-life balance and that it is possible to have both – a successful career and personal life. Receiving this honor affirms the importance of putting people first and supporting a healthy and happy corporate culture,” said Simon F. Nynens, Chairman and Chief Executive Officer, Wayside Technology Group.

Companies throughout the state entered to win this prestigious honor of being named to the top 100 list.

The award program, created in 2005, is produced by NJBIZ.
